NOTICES

WELCOME TO THE BENEFICE OF ST MARY'S HADLEIGH, ST ANDREW'S LAYHAM AND ALL SAINTS' SHELLEY. We hope you enjoy being with us, and look forward to welcoming you again in the future. Communicant members of all churches are welcome to receive communion – or come up for a blessing if you prefer.

Children at St Mary's are welcome to use the area at the back of church, where there are toys, books and other things to do.

If you require a **gluten free** communion wafer, please speak to one of the welcome team – preferably before the start of the service.

If you are a UK taxpayer and would like to **gift aid** your collection donation at St Mary's, please put it in the white envelope (available from the back of the church) and complete the details on the front. Please ask a welcomer if you cannot find an envelope. Thank you.

If you would like someone to pray with or for you after any service, please ask a member of the Ministry Team and they will direct you to someone who will be happy to do this.

St Mary's Christmas Market

Saturday 30 November

Please make sure you have this date in your diary – this is our major fundraising event of the year, and it needs to make a good profit. There will be lots of ways that you can help, and more details will be forthcoming very soon, but now would be a good time to be thinking about making jam, preserves, chutney etc, as well as any craft items that we might sell.

Boxes will be out from mid-November for donations of **bottles** and items for the **Christmas tombola**. Nearer the time we'll also be asking for **cakes**...

Help needed – can you wash and iron? Volunteers are needed to join the small group of people who wash and iron small items of altar linen at St Mary's. It would only be about once every 8 weeks – please speak to Aileen if you think you might be able to help.

Other prayers:

All is safely gathered in ere the winter storms begin.

We praise God for the harvest of land and sea; for farmers and fishermen who work hard to produce it and those who work in factories, transport and shops to meet our needs.

In our abundance we remember those who rely on food banks and, in other countries, impoverished communities living in arid areas that are being steadily degraded through poor farming practices, the destruction of vegetation, war, drought and floods. We pray that they will receive help to restore their land and improve productivity, and those working to clean up our oceans and rivers will achieve their goal.
